PRESS RELEASE

CoreTel Adds Network Engineers to Mountain Top, PA Office

John Davies and Rich Davies Join Growing Telecommunications Firm

(ANNAPOLIS, MD – June 7, 2007) — CoreTel, a Mid-Atlantic Competitive Local Exchange Carrier (CLEC), announced today that it has added John Davies and Rich Davies as Network Engineers. They will both work from CoreTel's Mountain Top, PA office.

"We are proud to welcome John and Rich," said Bret Mingo, President/CEO of CoreTel. "They are both tremendous assets to the CoreTel team. Their extensive knowledge and experience allow us to continue our growth, while ensuring our customers receive the best quality service."

JOHN DAVIES

John Davies will be responsible for network design, monitoring, trouble resolution, and new product testing and implementation throughout CoreTel's operating areas. Mr. Davies brings over 10 years of technical experience to this position.

Most recently, Mr. Davies was a Data Engineer at Commonwealth Telephone Enterprises Inc. (CTE). Prior to that he held positions as Data Operations Engineer at CTE and Network Administrator with Epix Internet Services.

Mr. Davies is a Cisco Certified Network Associate (CCNA) and is currently pursuing his Cisco Certified Network Professional (CCNP) certification. Mr. Davies is a graduate of Lakeland High School in Jermyn, PA.

Mr. Davies resides in Harvey's Lake, PA.

RICH DAVIES

Rich Davies will be responsible for network design, monitoring, trouble resolution, and new product testing and implementation throughout CoreTel's operating areas. Mr. Davies brings over 8 years of technical experience to this position.

Most recently, Mr. Davies was a Data Engineer at Commonwealth Telephone Enterprises Inc. (CTE). Before that he was a Data Operations Technician at CTE and a LAN Administrator with Epix Internet Services.

Mr. Davies is a Cisco Certified Network Associate (CCNA) and has completed several other technical certifications. He is a graduate of Wilkes-Barre Area Vocational Technical School.

Mr. Davies resides in Wilkes-Barre, PA.

ABOUT CORETEL
